

El Diablo – A New Musical Reality

Location: High End M.O.C, Hall 4, Booth U08/V01

We cordially invite you to visit the Peak Consult booth at the High-End Show, taking place from May 15th to 18th, 2025, to experience the finest in music reproduction.

Motivated by a deep commitment to superior music reproduction and an unwavering dedication to craftsmanship and technical excellence, the PEAK Consult El Diablo sets a new benchmark for what a loudspeaker of this size and price can accomplish.

The main event will feature a demonstration of the recently revised and updated El Diablo, presented this year in collaboration with the internationally acclaimed high-end audio manufacturer CH Precision, which is providing the amplification.

Supported by AcouPlex, Andante Largo, The Chord Company, and Reiki in the main demonstration system, there will also be a display of models from PEAK, including the Dragon Legacy, Sinfonia, and Sonora. Please contact the Peak Consult team for more information.
